

## PROCEDURES FOR RECONSIDERATION OF MATERIALS

Any Acadia Parish Library cardholder may request that an item in the library's collections be reviewed for appropriateness. We value your opinion. Please complete this form indicating the nature of your concern. If your concerns relate to other library services, please indicate in the appropriate space.

The procedure for reconsideration of material is as follows:

1. The patron seeking reconsideration of a work receives a copy of the Acadia Parish Library Materials Selection Policy, the Library Bill of Rights and a Request for Reconsideration of Library Materials form. These are available at all circulation desks.
2. The patron seeking reconsideration must read, view, or listen to the entirety of the work before requesting reconsideration of library material.
3. The patron may submit the Request for Reconsideration of Material form at any Acadia Parish Library circulation desk. The patron will receive a letter acknowledging receipt of the Request for Reconsideration form by the library.
4. The form is routed to the Assistant Director who will assign a librarian to review and research the request. The librarian will present a recommendation to the Assistant Director, Library Director and Library Board President. A letter announcing the decision of the material in question will be mailed to the patron within 30 days of receipt of reconsideration form.
5. If the patron is not satisfied with the decision, a written notice of appeal may be filed within 30 days to the Library Director.
6. The patron will be notified of the date and time that the material in question will be discussed at a Library Board of Control meeting.
7. The Library Board of Control shall vote on the reconsideration of the material.
8. The Library Board's final decision will be mailed to the patron within 30 days.

## LIBRARY BILL OF RIGHTS

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

- I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
- II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
- III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
- IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.
- V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.
- VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.
